Knowledge:

- Ability to communicate effectively with internal and external customers, both orally and writing.
- Ability to receive constructive feedback and implement corrections, coaching, and directives provided by management
- Ability to work independently, under pressure, and to set and achieve goals.

- ability to adhere to applicable company and departmental policies and procedures
- Experience preferred in autism, ABA, or mental health background.

Schedule:

- Day shift
- Evening shift
- Weekend hours

Reports to and supervised by: Community Director, Program Supervisor

PURPOSE: The Behavior Technician position is a multi-faceted position due to the variety of services that may be provided by this staff member depending on their specific caseload including mental health treatment and support services, therapeutic behavior intervention services, psychosocial rehabilitation, intensive intervention services, and education services. Services may address the individualized mental health and/or educational needs of the client as determined by the client's daily/weekly/monthly service schedule.

Primary job responsibility is to provide services to children, adolescents and young adults with autism and/or related disorders in a 1:1 setting within the agency, school, home, or community-based setting following ABA methods and procedures and to facilitate peer interactions when appropriate. This includes monitoring children during meals or other non-instructional times as applicable in the school, community and home-based setting.

This position will receive 1:1 and/or group supervision from supervisors through direct observation, clinical meetings, and/or videos. Supervision may be provided by different supervisors based on the service provided or work being completed. Supervision is provided regularly and is documented. In addition, QBHS/BT staff are required to attend team meetings, staff professional development sessions per their specific staff development plan, and scheduled training as part of their position.

Empower Behavioral Health & Intervention is an Equal Opportunity Employer.
